Sponsor Letter

Dear Community Partner,

We are inviting businesses and organizations to sponsor CelebrAsian Indian Village, a cultural experience that highlights the beauty, tradition, and diversity of Indian heritage within the larger CelebrAsian event.

This event creates a place for the community to come together through performances, educational displays, and family-friendly activities. Your sponsorship helps us create a stronger program and a more welcoming experience for all attendees.

A sponsorship is more than a marketing opportunity. It is also a way to support cultural understanding, strengthen community ties, and show your commitment to local engagement.

We offer several sponsorship levels and can also create a custom package based on your goals. Thank you for considering support for CelebrAsian Indian Village. We would be honored to partner with you.

Sincerely,

Simply India
